Berkley Democratic Club 2006 Membership Drive

Join the Berkley Democratic Club today!
Annual membership from February 1, 2006 to January 31, 2007

The Berkley Democratic Club (BDC) is a thriving community of progressive citizens that cares about our city, state, country, and planet. With your support, we will continue to meet, publish our newsletter, and actively participate in local, state, and federal events. On February 16, 2006, we will have our Annual Meeting and elect our officers. As our by-laws require that only members in good standing may participate (by running for club office and/or voting for candidates), join today so your voice may be heard!
